

Ewhurst Play Post 19th July

The following rules and guidelines have been drawn up following advice and guidance from Bowls England and our risk assessments applying the advice to our green and facilities at Ewhurst. They now cover post 19th July.

- If you have symptoms of Coronavirus do not visit the club.
- If you have visited the club and subsequently test positive it is vital that you contact Jo or Roger Newman and we will have the ability to feed information on you and your contacts when at the club into the NHS Track and Trace system. If you have played away then we will inform the club you visited. You can register at the club using the QR code notice if you wish.
- The clubhouse will be open but we recommend masks to be used inside particularly when the clubhouse is crowded. The rule of 6 no longer applies. Be sensible.
- The changing rooms and toilets can be used as normal
- The bar can now be used as normal.
- Club roll up sessions will be 2:00 to 4:00 on Monday, Wednesday and Friday and 6:00 to 8:00pm on Monday and Friday and registration will be by entering your name in the roll up book and drawing playing format and rinks in the usual way.
- Competitions are underway, matches can be organised but avoid roll up slots and obviously any home matches. Times should be booked using the book in the clubhouse. The names of players and marker must be entered.
- Ad hoc games are now allowed but names and times must be entered in the rink book and the priorities of rink allocation adhered to.
