

MIXED PAIRS KNOCK-OUT COMPETITION 2018-2019

COMPETITION RULES

- Matches will be played over 15 ends using 2 (two) bowls per player.
- Two trial ends may be played at the start of each match if competitors wish to do so.
- The lead players will agree the shots and make match decisions. Skips should stay at their end of the mat when shots are being decided.
- If there is a tie on points at the end of the match then a further end(s) will be played until one pair wins. At this point you should toss and the winner can choose to take the mat or give it away.
- ESMBA rules will be used. (e.g. if the jack is knocked off the mat, the end will not count and must be replayed from the same end.)
- Matches will be played by arrangement throughout the season but must be booked in the club diary. In booking your match, please ensure it does not clash with any other fixtures, such as matches or roll-ups.
- The top named pair in the draw must offer their opponents at least two dates to play the match. Once the date is agreed, any pair failing to play the match will forfeit the game.
- Matches must be completed before the deadline as shown on the draw sheet. No extensions will be given.
- Should any pair not be able to complete any round, or final, for any reason, by the allotted time they will be deemed to have withdrawn and their opponents will be given the match.
