

The Short Mat Booking System

- All bowling sessions must be booked in advance. Members with access to the internet should log on to the club website (ewhurstbowls.co.uk) and follow the link.
- Members with no access to the internet should ring Roger Dobbing to reserve a slot.
- You can only book a slot for yourself – not for other players. However, in the case of a pair wishing to book, this will be permitted if a member has no access to the website or cannot drive.
- Only registered members (i.e. subscription paid) will be allowed to book.
- Please choose a vacant slot and then email Roger Dobbing (roger.ebc1@tiscali.co.uk) or ring 01483 273063. If there is no answer leave a message. The online calendar will then be updated as soon as possible.
- Reservations may not be made more than 7 days in advance.
- Reservations will be confirmed on the booking calendar. This shows the date and time which have been reserved for you; and which mat you will be playing on (green for Mat 1; red for mat 3).
- For Data Protection reasons, only members' initials will appear on the calendar.
- When you arrive at the clubhouse you may not change places with someone from the other mat.
- If you are unable to play at the time you have booked, please contact Roger Dobbing as soon as possible, preferably by phone. If there is no answer leave a message. If possible a replacement player will be found.
